

New in 2025: Announcing the Launch of the OCN PNW Grant Program

In 2025, Optum Care Network PNW will be offering grant funding to support network practices in developing and implementing innovative projects that improve the quality or efficiency of patient care. This program is available to all OCN contracted primary and specialty care practices in Washington and Oregon. Grants may be used to fund programs supporting Medicare Advantage members in Washington and Oregon and Medicaid members in Washington. A detailed 2025 Grant Program Manual including information on the application process and program criteria is attached to this email.

Application Information

- The Grant Program application can be found [here](#). All fields with the red asterisks are required.
 - *No signature is required to complete the form*
 - *Please note, practices may apply for multiple grants but will need to submit a separate form for each project*
- At the end of the application, you can request a copy be sent to you

The screenshot shows a portion of a web form. At the top, there is a label 'Submitter Email' above a text input field. Below that is a label 'File Upload' with the word 'Optional' underneath it. Underneath the 'File Upload' label is a dashed border box containing the text 'Drag and drop files here or [browse files](#)'. At the bottom of the form area, there is a checked checkbox followed by the text 'Send me a copy of my responses'.

Please reach out to your Practice Engagement Manager or Network Medical Director for more information on participating in the 2025 OCN PNW Grant Program.
